GAME BOY COLOR

Different.

A PICTURESQUE FOOTPATH CAN QUICKLY LEAD TO YOUR VIOLENT AND BLOODY DATE WITH DEATH.

No.4

THE GAME BOY COLOR GUIDE TO WOODLAND!

Fig 1. *Animals have no respect for your superior status in the food chain. A meat-eating animal (carnivorous) will attack your fleshiest anatomical part (arse).*

GAME BOY COLOR
FEEL EVERYTHING. EVERYWHERE.

Available in six different colour casings.

As makers of Game Boy Color, it's our obligation to ensure that you play safe out there.

A FEW MINUTES SPENT FAMILIARISING YOURSELF WITH THE TIPS IN THIS HANDY GUIDE WILL MEAN THAT YOU CAN ENJOY LITERALLY HUNDREDS OF GAMES WITHOUT COMING TO HARM.

TEST YOUR WITS

WHILST PLAYING GAME BOY COLOR IN WOODLAND YOU SHOULD ALSO BE WARY OF:

- **A** Animals that offer you sweets.
- **B** Mustachioed-men wanting to hold your hand.
- **C** Walking too far and getting a stitch.
- **D** All of the above.

Fig 2. *Chainsaw sound effects do not appear in any GBC game. Hearing such a sound will alert you of a psychopathic killer's presence. Probably behind you. Hockey masks are a dead giveaway.*

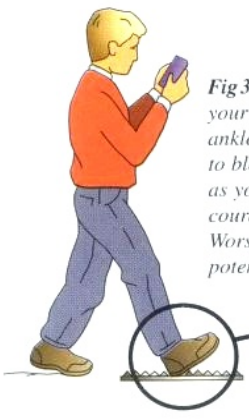

Fig 3. *A trap will sever your foot at the ankle causing you to bleed to death as you hobble courageously for aid. Worse still, ruin a potential high score.*

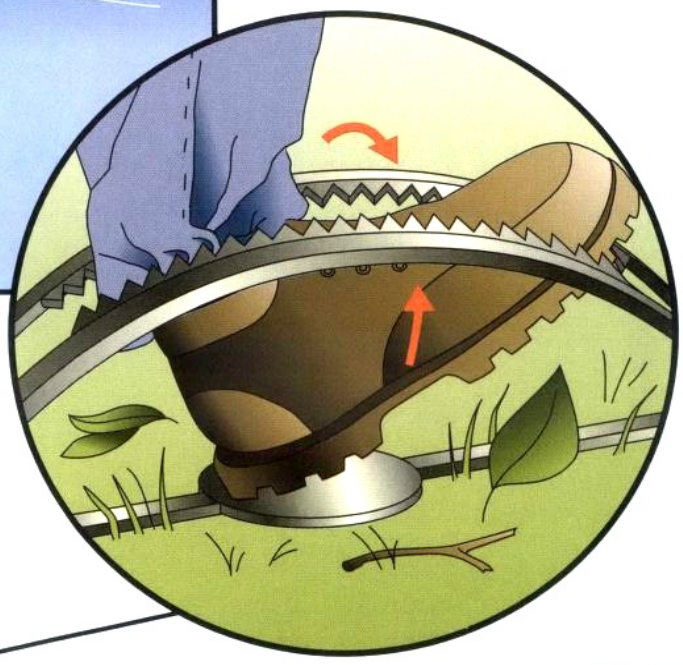


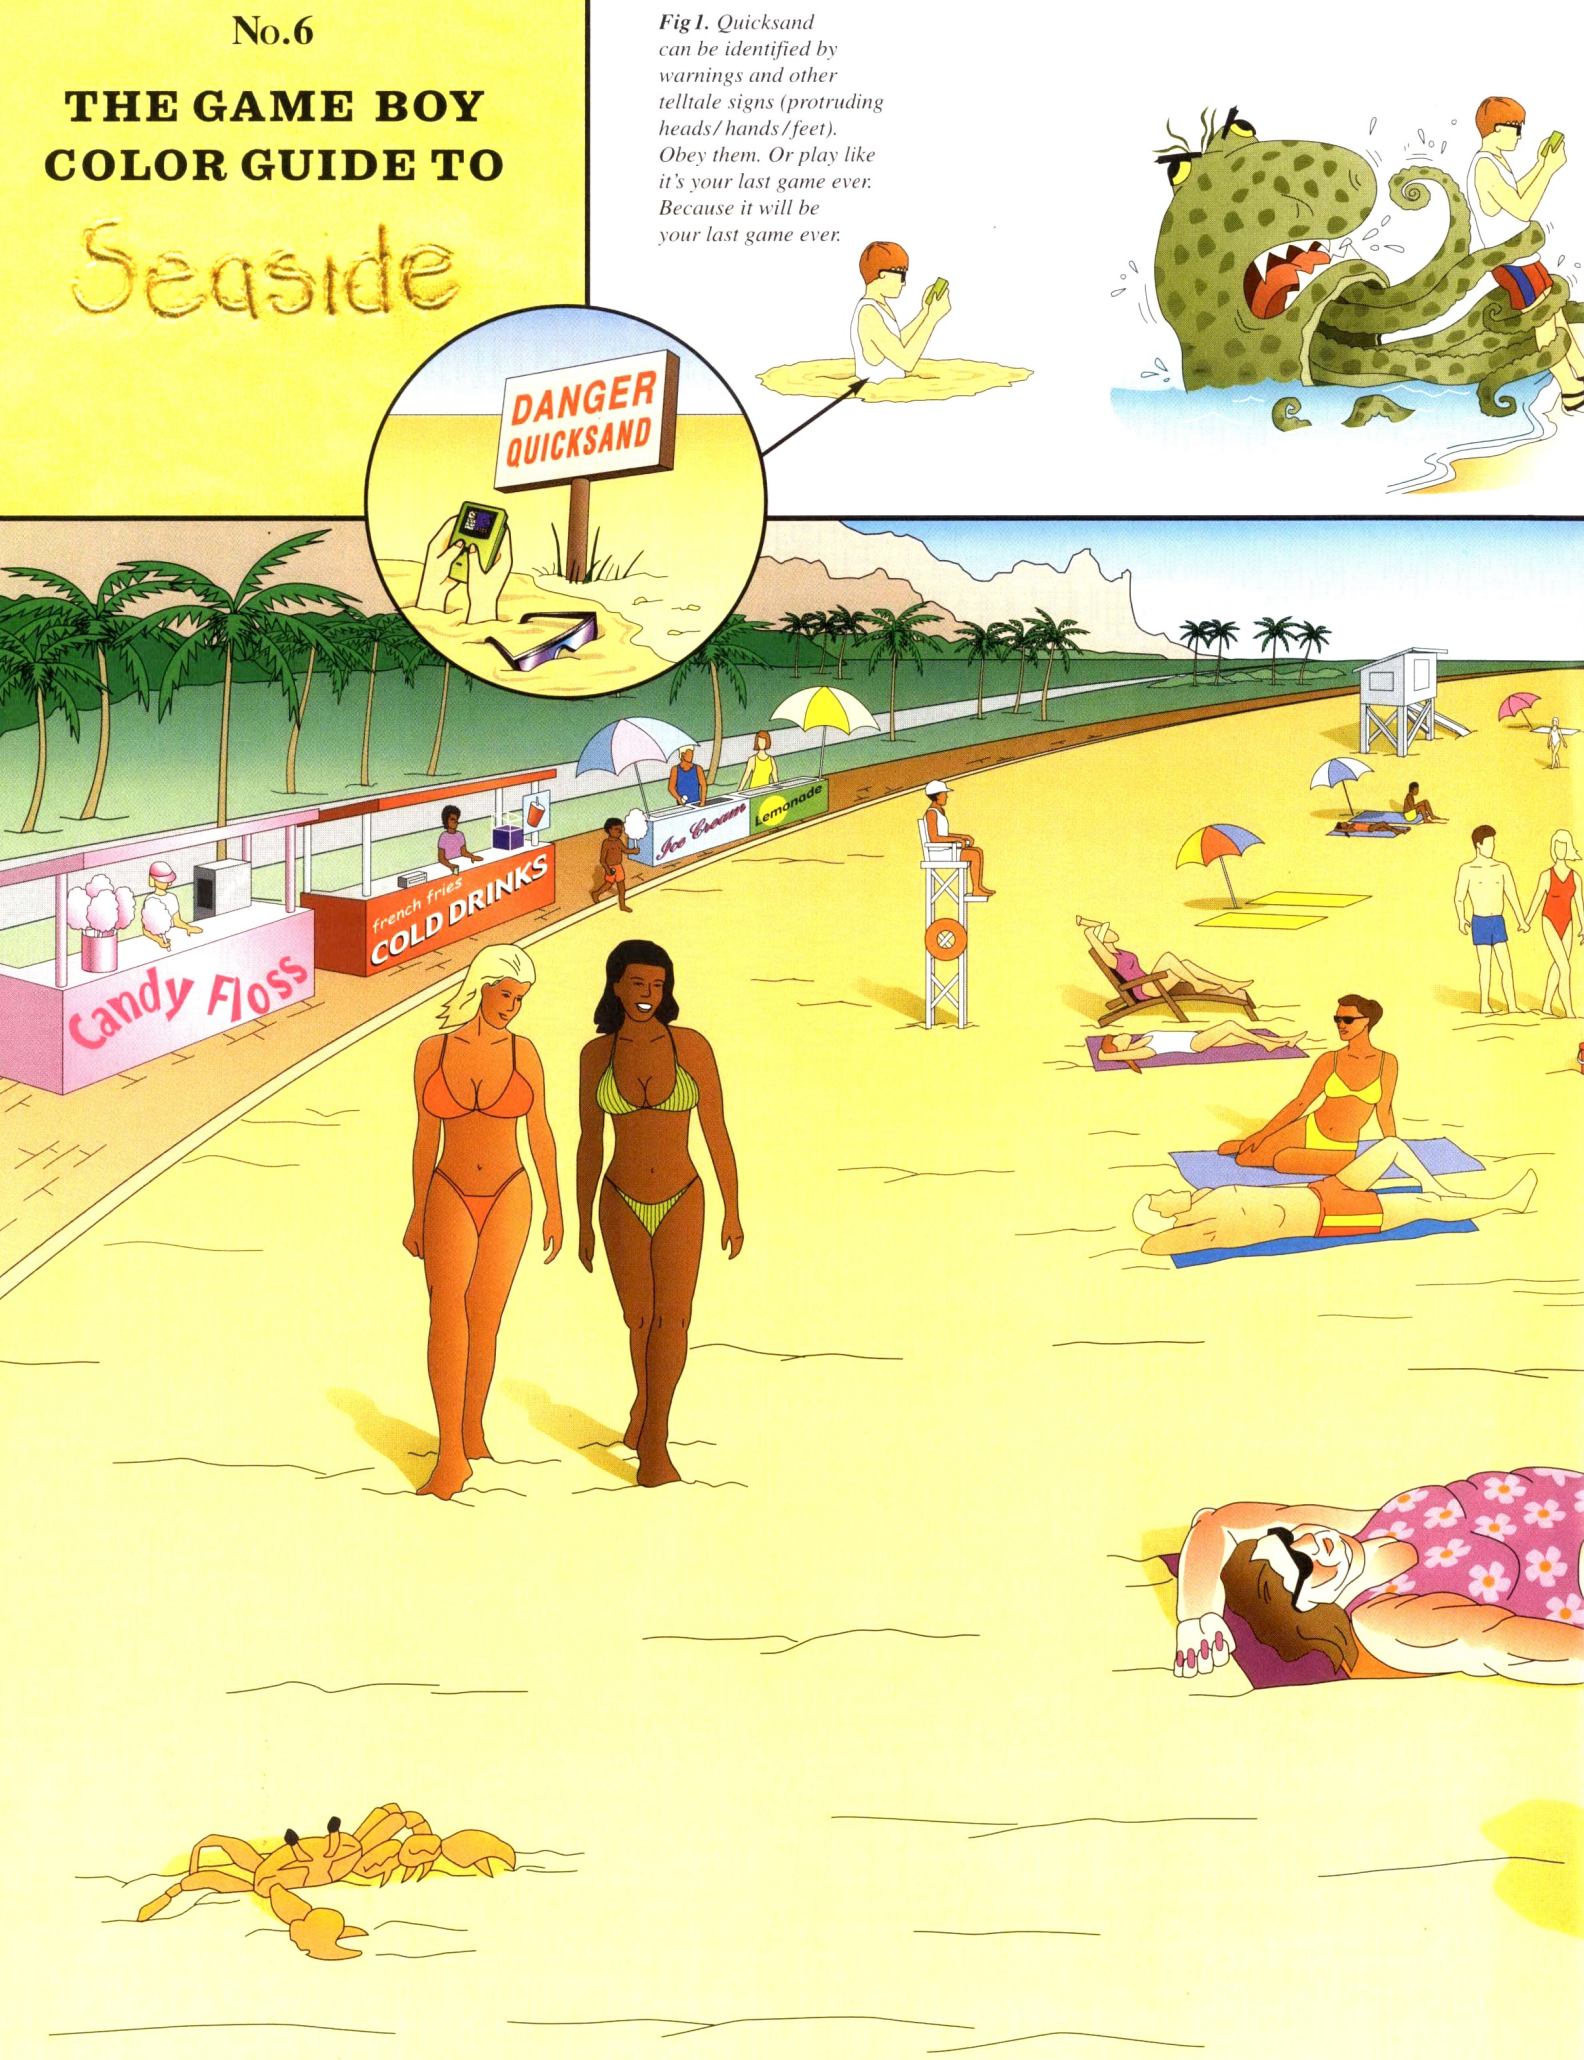
REMEMBER: A SMART PLAYER IS A SAFE PLAYER.

No.6

THE GAME BOY COLOR GUIDE TO

Seaside

Fig 1. Quicksand can be identified by warnings and other telltale signs (protruding heads/hands/feet). Obey them. Or play like it's your last game ever. Because it will be your last game ever.

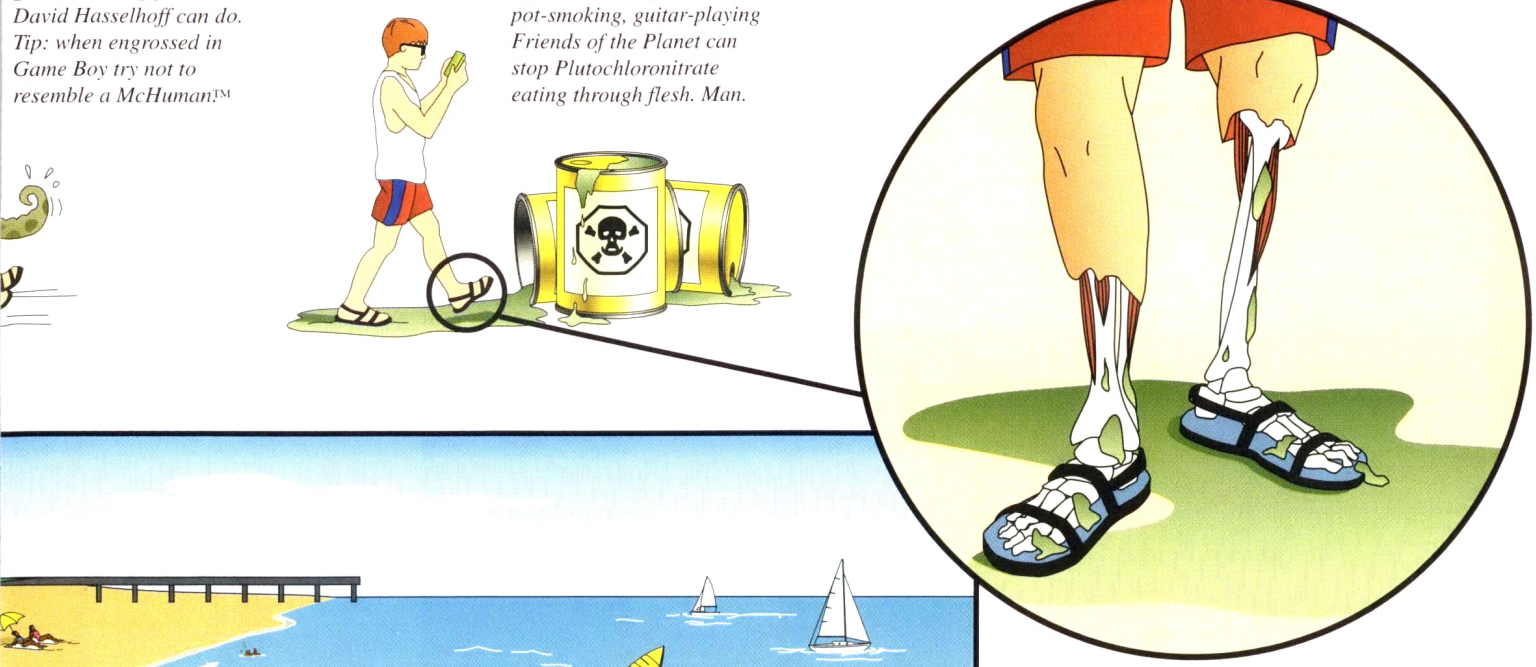


IFE'S A BEACH. UNFORTUNATELY, THE BEACH IS POLLUTED, INFESTED AND HELLBENT ON KILLING YOU.

REMEMBER: A SMART PLAYER IS A SAFE PLAYER.

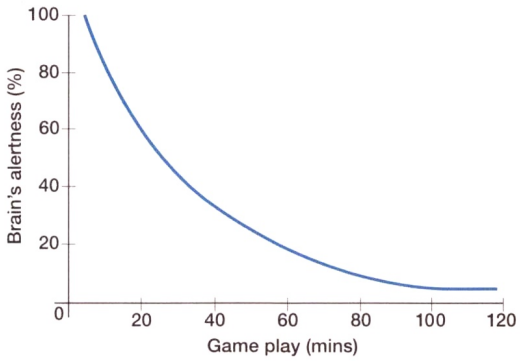
Fig 2. If this fella takes a fancy to you, there ain't a goddamn thing you or David Hasselhoff can do. Tip: when engrossed in Game Boy try not to resemble a McHuman!™

Fig 3. Avoid anything green and bubbling. No amount of flare-wearing, pot-smoking, guitar-playing Friends of the Planet can stop Plutochloronitrate eating through flesh. Man.



Nintendo accept no responsibility for any accident(s) caused whilst playing. Actually, we couldn't give a monkey's but we have to say it for legal reasons.

FOR SAFETY'S SAKE, SPEND A FEW MINUTES FAMILIARISING YOURSELF WITH THE TIPS IN THIS USEFUL GUIDE. THAT WAY YOU CAN ENJOY LITERALLY HUNDREDS OF GREAT GAMES AND SPARE YOUR MOTHER A VISIT FROM A POLICEMAN.



Graph A illustrates how, during continuous play, the brain's alertness level plunges drastically. In other words, you will temporarily be two turrets short of a sandcastle.

Available in six different colour casings.

GAME BOY COLOR

FEEL EVERYTHING. EVERYWHERE.

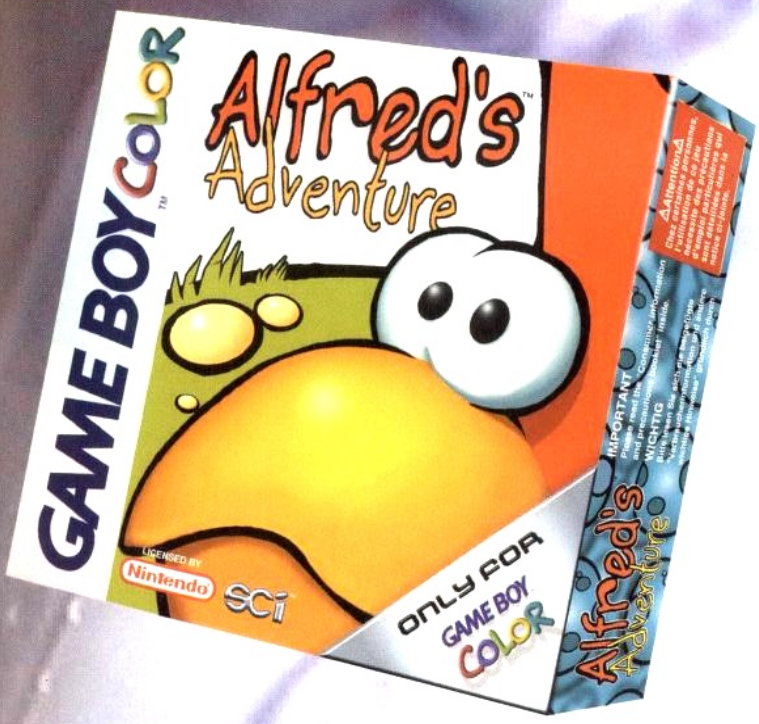
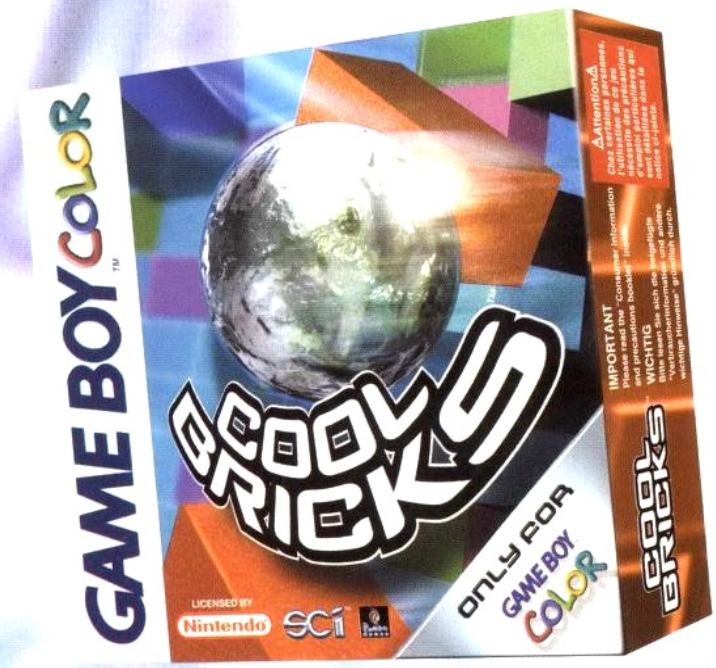
Three new thumb-numbing COLOR titles from SCi



Alfred's Adventure stars our 'plucky' hero Alfred Chicken. Alfred must battle his way North, South, West and Easter through 11 platform based levels, full of hidden rooms and power ups. He must rescue Billy Egg who has been 'poached' by the fowl Meka-Chickens for their bizarre cloning 'eggs-periment'.

Alfred, the all round good egg, must stop their evil bid to take over the world but surely he's up to the task. After all, he's not chicken... is he?



CoolBricks comes to you straight from the classic era of arcade games. Remember games that were so simple but so playable that you just couldn't put them down?

Welcome to CoolBricks. Unbelievably addictive and crammed full of power ups such as reverse bat, poison and lasers, you'll continually find yourself saying "Just one more level". A must for anyone who fancies themselves as a champion games player.

SCi revisit an all time classic shoot-em-up. SWIV finally comes to the Game Boy™ Color!

Somewhere in the mid-Atlantic a terrifying arsenal of weapons have been assembled by a mysterious race with deadly intentions. As a final resort the world looks to you to combat this awesome threat. In your jeep and helicopter you must fight your way through deserts and jungles until you reach the very heart of the enemy. There you will face the most unbelievable array of military might the world has ever seen. An all-time classic game, SWIV is now set to become a classic on the Game Boy™ Color.

BBC

Rule No.1

There can only be one winner

It exists only to annihilate. It knows only destruction. Just pray it crushes your mate and not you. Have you got what it takes to become the ultimate Roboteer? Build your own robots, train them in the arena and battle them in the Grudge Match. If you can avoid destruction from the most feared robots in the universe you will go head to head in War Zone. Forget friendship and look after number one, it's time to put the scrap back into metal.

ROBOT WARS™ NOW AVAILABLE ON GAME BOY COLOR

Available from all good software retailers, or through the BBC Online shop: www.bbcshop.com, or by mail order on Tel: (01795) 414 715
